

# **ATTITUDE**

The longer I live, the more I realize the impact of attitude on life. Attitude, to me, is more important than facts. It is more important than the past, the education, or the money; than circumstances, than failure, than successes, or than what other people think or say or do. It is more important than appearance, giftedness or skill. It will make or break a company, a church or a home.

The remarkable thing is we have a choice everyday regarding the attitude we will embrace for that day. We cannot change our past. We cannot change the fact that people will act in a certain way. We cannot change the inevitable. The only thing we can do is play the one string we have, and that is our attitude.

I am convinced that life is 10% what happens to me and 90% how I react to it. And so it is with you.
